Clerk of the Court John M Domurad
United States District Court for the
Northern District of New York
445 Broadway, Albany, NY. 12207-2936

Dear Clerk John M Domurad;

On August 19, 2019, Judge Lawrence E. Kahn documented his intent, in an order, to commit a felony and his plan to intimidate Clerk of the Court John M Domurad to participate in said felony by participating in treason against the People. Should Clerk of the Court John M Domurad or any clerk under your authority decide to participate in this obstruction of Justice, that would constitute a "conspiracy" to commit treason against the People and obstruction of Law. Judge Lawrence E. Kahn is in bad behavior and is under two Common Law indictments, 9 counts. We the Common Law Tribunal order you, John M Domurad not to obey his unlawful orders, or suffer the consequences.

Clerk John M Domurad is to take Judicial Notice that this is a Natural Law action proceeding under the rules of the Common Law, not equity. Whereas ignorance of the Law will not be a defense option, you are expected to know the Law as well as equity. Therefore, the Common Law Grand Jury is resolved that any judge, clerk or any officer of the court who conceals, removes, destroys, or returns any of our Common Law documents will suffer indictment. Concealment includes denial of an active Common Law Action via telephone, snail mail, email or text.

Clerk John M Domurad is directed to mail back a copy of the "Cover sheet (page 1 of 4)" time stamped with the day and time received in the enclosed self-addressed envelope.

A handwritten signature in black ink, appearing to be a stylized "C" or "G" followed by a flourish.
